Bruce Johnson
D/ODP

Dear Bruce,

I want to express my appreciation for the invitation to attend ODP's Spring Planning Conference. The entire conference was well worth attending, and I especially appreciated an opportunity to give an impromptu overview of our TADS planning.

The primary benefit to OSWR from my attendance was the improved perspective on ODP's operations, problem areas, and decision processes which I received. The conference gave me a better picture of the constraints under which you operated, and the information which your people need to make decisions. I hope that we will in turn be able, as users, to make their jobs somewhat easier.

Thanks again.
